Experience

Middle School Class President

I was the middle school class president of Elmhurst Community Prep in Oakland, CA. This opened up opportunities to meet other ideas for how to make school better, and I had the chance to lead.

Babysitter Experience

I have the experience of being a babysitter to my younger siblings and cousins, and this gave me the qualities of being responsible and patient with children. I took care of my sister ever since she was an infant so I know about that.

Organizing Protests

During my eighth grade year (2017-2018), I got to lead a protest for the victims of school shootings. I led a schoolwide moment of silence, and left an open space for peers to share their thoughts.

SMASH Berkeley Experience

I recently got accepted into the SMASH program, which is a STEM enrichment program. During the summer, we stay at the UC Berkeley campus for 5 weeks. This has given me experience of living on a college campus, and taking STEM to use in the real world.
